- Assist Town with properly documenting all activities associated with the grant
- Provide engineering services and documents, as necessary, throughout completion of the grant
- Provide project management services for portions, or all activities, involved with the grant including but not limited to:
 - Completion of a water main loop approximately eight hundred linear feet (800 LF)
 - survey, map, cost estimate and DOH signed plans previously completed
 - Installation of a third finishing pump in filtration plant
 - Installation of a new infiltration gallery for filtration plant
 - Reclamation of existing infiltration gallery
 - Installation of chemical storage and ventilation equipment at filtration plant
- Assist Town in procuring and properly documenting any contracts associated with the grant
- Assist Town in meeting all requirements set forth by New York State Office of Homes and Community Renewal (OHCR)
- Work with the Grant Administrator in procurement of services, securing of contracts and processing claims
- Meet regularly, at least bi-monthly, with the Phoenicia Water Committee, or designees, to update them on progress made on projects
- At the discretion of the Town Board attend Town Board meetings upon request to update them on progress or upcoming activities
- Create a clear and feasible schedule through completion of the project
- Create detailed budgets, and amendments as necessary, of costs for both materials and construction throughout length of the grant

Other: 1) The successful firm or individuals **must** have familiarity with CDBG and NYS OHCR reporting and reimbursement requirements.

Submittal Content

The proposal must be organized in sections containing the following information:

- **Description of Firm.** Describe your firm's legal structure, areas of expertise, length of time in business, number of employees, and other information that would help to characterize the firm. Provide the address of the main office (for legal purposes) and the address of the office that will manage the project.
- **Experience.** Briefly describe other projects executed by your firm that demonstrate relevant experience; however, extensive descriptions of vaguely related projects are discouraged. Also list all public sector clients for whom you have performed similar work in the past five years. Please highlight projects illustrating work within the Catskill Forest Preserve and the New York City West-of Hudson Watershed. For each project mentioned, include the name, address and phone number of a person who can be contacted regarding your performance on the project. When submitting projects for which your firm worked in an auxiliary capacity or in a joint venture or partnership, include the name and address of the lead firm as well as the name and addresses of the other firms with which you worked.
- **Personnel.** Provide a professional resume for the key people proposed to be assigned to the project (including any important sub-consultants), and describe relevant related experience. Describe key personnel's proposed roles and responsibilities on this project. Submittals must identify a proposed project manager, who would be responsible for the day-to-day management of project tasks and would be the primary point of contact with your firm. An organization chart of the project team may be appropriate but not required.
- **Costs.** Provide a schedule of the hourly rate of each person who would be working on this project and set forth a detailed description of any other costs, disbursements and expenses that would be charged to the town by the firm.

- **Project Approach.** Describe the tasks that must be accomplished to complete the project. Provide a narrative description of how the firm proposes to execute the tasks. If applicable, discuss any unique aspects of the project, alternate approaches the Town of Shandaken might wish to consider, or special considerations related to programmatic/ funding requirements. Your firm should rely on its expertise and experience with similar projects to demonstrate how it will effectively complete the project.
- **Project Schedule.** Provide a schedule of past general projects and activities indicating the duration of each activity and of the total project, including a schedule of Personnel assigned to project. The schedules should reflect actual activity durations.

Brochures or other material that may be helpful in evaluating your firm may be included in an appendix of the proposal.
