RE: Donahue Bridge, Co Br #160
Bridge Rehabilitation

To Whom It May Concern:

It has been determined by the Ulster County Department of Public Works that the bridge carrying Fire House Road over the Esopus Creek in the Town of Shandaken is in need of deck rehabilitation and minor steel replacement.

The Ulster County Department of Public Works is now ready to begin the required repairs to this bridge. In order to accomplish this work it will be necessary to close the bridge to all traffic effective Monday September 17, 2018.

Traffic may use Fire House Road north 0.10 miles to Creekside Drive; Creekside Drive north and east 2.50 miles to NYS Route 42; NYS Route 42 east 0.30 miles to NYS Route 28; NYS Route 28 west and southwest 3.10 miles to Fire House Road; and Fire House Road 0.40 miles to the bridge.

Thank you very much for your cooperation in this matter.

Very truly yours

Edward C. Pine, P.E.
Senior Engineer
